

Did you know MPI offers a wide range of stainless steel doors and frames?

Products are UL approved for up to a 3 hour rating for positive pressure in sizes up to a 4'0 x 10'0 single and 8'0 x 10'0 double .

Lights, louvers and many hardware variations are available. Contact us for additional data and quotations.

Don't tell your customer, "No, we can't", when MPI says, "Yes, we can."
