SUBJECT: NEW LABELING CAPABILITIES FOR HOLLOW METAL FRAMES

MPI is pleased to announce additional changes to fire-rated hollow metal frames. The following products are now available:

1. Glazed segmented radius frame with 3/4 hour rating
2. Multi- angled glazed corner frame with 3/4 hour rating
3. Double egress frame butted to drywall with 1½ hour rating
4. Two piece split frame single opening with 1½ hour rating
5. Concealed in frame overhead closer with removable stop at head.

Certain restrictions apply. Please contact our Engineering Department if you require further assistance or need additional information.
